

Saturday, August 3 was cleanup day at Hunter Park, sponsored by the North Mason Community Voice.

Judy Scott, Lee Swoboda, Jennifer Hines, Jack Kimball, John Campbell, Joe Morris and Mike Parker turned out to pull weeds, prune bushes, remove tree limbs and haul away garbage.

*Special thanks to:*

- Scott McLenden's Hardware Store, who donated four bags of beauty bark.
- Jennifer Hines, who bought and planted a new shrub at the park.
- Judy Scott, who hauled off the garbage that was collected and bagged.
- Linnie Griffin, who showed up Friday to do some weeding because she couldn't participate on Saturday!

Enjoy these pictures of Hunter Park after just a couple hours of work by these industrious volunteers! *Thank you!*
